<i>Registration is not complete until your account is paid in full. Registration must be paid in full prior to your child's scheduled division tryout. Shetland division: Since Shetland does not have a scheduled try out; registration payment is due in full by the mandated Pinto tryout date on 01/28/2012. If registration payment is not paid in full by the time of each players scheduled tryout date, then the "NO pay NO draft rule" will be applied to that registered player until payment is received. We cannot refund your registration after your child has been placed on a team. Online registration is the preferred method of registration and will give the opportunity to view your team page, roster, and other important information.
